Listen to Mary talking to her friend, Paul, about a restaurant she went to. What did each person eat?  
For questions 1 – 5, choose a letter, A-H.

A: Hi, Mary. Did you have a nice birthday dinner with your parents?

B: Yes, it was lovely. We went to that new restaurant in Heath Road.

A: Ooh, what did you have?

B: I had a lovely steak with chips and vegetables.

A: That sounds delicious!

B: It was! My sister was going to have steak, too but in the end she had pasta.

A: That doesn't sound as nice as steak. What did your brother have?

B: He didn't have chips like me. He had potatoes and roast chicken.

A: My favourite! What about your mum? Did she have something nice?

B: She wasn't feeling very hungry so she just had soup. They had onion, tomato and fish. But she doesn't like onion or fish.

A: Me neither! I bet your dad had pasta, too. Or did he have sausages? I know he loves them.

B: No, he didn't. He said he was bored with pasta, so he had a huge mushroom pizza.

A: Not sausages? I'm amazed!

B: No, but then my aunt ordered them and then he wished he'd had them instead.

A: Oh well, you'll just have to go again and invite me next time!

### **Track 9**

You will hear a teacher talking to some parents about a school trip. Listen and complete each question.

A: Good evening everyone and thank you for coming to this meeting. As you know, we are taking a group of 30 students on a trip to Portsmouth next Friday. That's the 23<sup>rd</sup> April. They are going to see King Henry VIII's warship. There is a very interesting exhibition about the ship – which is called the Mary Rose (that's M-A-R-Y R-O-S-E) - and students will need to take some paper and a pen to make notes about it. They can also take cameras but must be careful not to lose them. The cost of the trip includes their transport to Portsmouth, the £10 entry ticket to the Mary Rose and £5 for lunch. So the total is £45. On Friday, we'll get a bus to the railway station and then catch the 9 o'clock train to Portsmouth. We should arrive at 11.15. It is important that students arrive at school by 8 o'clock as the bus is leaving at half past eight. If we leave later, we may miss the train. Are there any questions?

### **Track 10**

Listen to Katie talking about a family party. For each question, choose the right answer: a, b, or c.

A: Hi Katie. Did you have a good weekend?

B: Yes, it was great but very tiring.

A: Oh, why?

B: Well, it was my cousin's birthday. She had a big party at my aunt's house. Everyone went.

A: How many people were there?

B: There were thirteen cousins, three aunts and four uncles, my grandad, my parents and my brother. So that's 24 altogether.

A: And you!

B: Oh, yes! So that's 25.

A: Was it noisy?

B: Yes, very. My aunts and uncles love singing but I don't so I sat with my grandad. He loves telling funny stories about his school days. He likes dancing too but he can't because he's hurt his leg.

A: Your cousin's going travelling isn't she? Is she going to Australia?

B: No, she went to Australia last year! And next year she wants to go to Canada. She's going to America for a year first so people bought her clothes and shoes to take. We gave her a bag to put everything in and my uncle bought her a fantastic camera so she can take photos of her trip.

Oh, sounds like you had a good time.
